

## MEMBERS' PARTICIPATION

**Vreni Roduner** will share her recent trip to China using a PowerPoint presentation. Starting with 7,000 photographs and a cursory knowledge of PowerPoint, Vreni took the complete set of workshops offered by WPCUG last season and made her presentation into her class project. Now with swirling photos, maps, and time-delayed views, the presentation has been well organized and ready to entice others to make a similar trip.

**Ed Hicks** creates orienteering maps professionally. He will share the output of his extensive knowledge and skills as he depicts some local areas with maps. Ed presented his skill to the group previously and, since then, has acquired some more tricks and technology to show to us.

**Jim Iscaro** will review his skills with geo-tagging photographs. This process, sometimes through the camera or manually, can allow the online communities to be placed onto a map to view the photo location.

For further information, contact Tom Osbeck  
at 914-720-1075.

### WPCUG NEEDS YOU!

Club bylaws require that there be a rotation of board members to ensure a constant flow of new ideas. Two directors are going off the board at the next election in March 2015 and we need volunteers to fill the positions. You can help shape the future of WPCUG. Volunteer!

Contact Heather Turnbull (914-844-7876) or David Shulman (347-964-1884) for more information.
