SNIPPETS TO LEARN

The General Meeting’s main topic will include a series of short and pointed presentations by several talented workshop leaders.

The idea is to provide a snippet of the content selected from workshop leaders’ areas of expertise.

We may hear about an add-on product to Microsoft Office, a technique to take better pictures, a utility or two that we should not live without, an in-depth look at a few Office ribbon tools that we always saw but never used, or tips on our first WordPress attempt.

Come and learn from our experts.

No TZ Tolls This Summer

Our July 2 and August 6 General Meetings will be held at 120 Bloomingdale Road, first floor, in White Plains. Please note that the two dates are the first Thursday of each month. Directions to the meeting site are on page 23.

Happy Winners of the Club Computers

The winner of the computer at the April General Meeting was Elenor Lindsay, WPCUG’s new publicity chair. The lucky—and happy—May winner was Armand Siconolfi. And Deb Meisels was the holder of the chosen ticket at the June meeting. Congratulations, All. And thank you, Gary Feiman, for making this possible.
